# Recognition & Rewards Festival 2023

# Workshop:

Co-creation workshop:
Collective recognition and rewards and the epistemic responsibilities
of the university

Co-creation workshop:
Collective recognition and rewards
and the
epistemic responsibilities
of the university

13 April 2023

Iris Lechner, Jeroen de Ridder, Joeri Tijdink
PhD project *epistemic progress in the university* 2021–2025
Vrije Universiteit, Amsterdam

# Program today

#### Presentation

• Introduction and explanation about epistemic responsibilities of universities

(Mini) co-creation workshop

- Collective recognition and rewards
- The university of the future

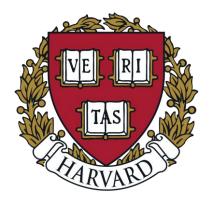

## What are good universities?

Massachusetts
Institute of
Technology

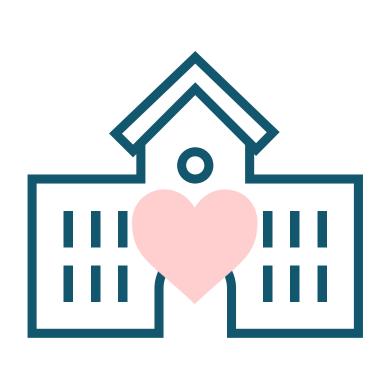

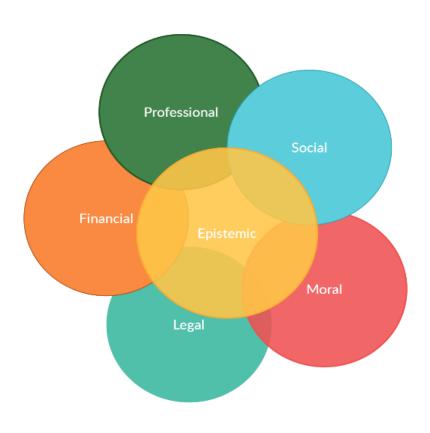

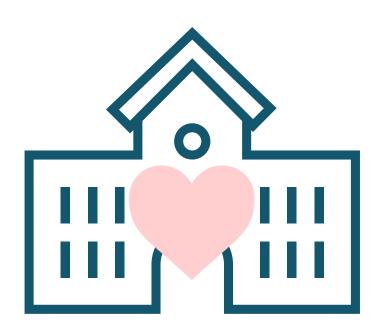

# Epistemic responsibilities of universities

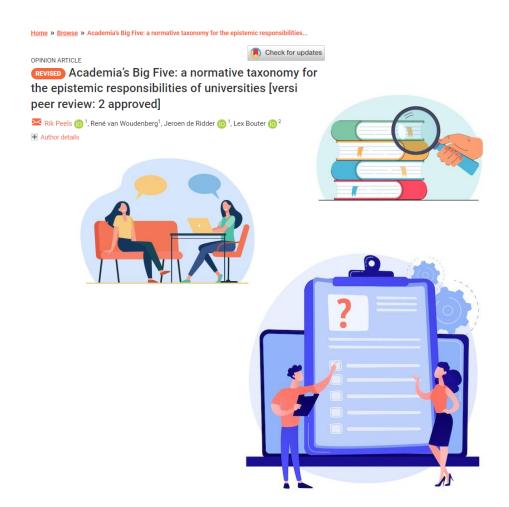

## Epistemic responsibilities of universities

"Epistemic responsibilities of universities are responsibilities that concern equipping and empowering its researchers, educators and students to attain and produce diverse evidence, knowledge, understanding, insight, rationality, explanation, as well as the dissemination, exchange and safeguarding of knowledge."

## Delphi research: set-up

#### Epistemische responsibilities

To foster research integrity

To st Research question

To ad What are epistemic responsibilities of universities,

1 csponsibilities of universities,

and how can we describe them?

To serve and engage with society at large

To cultivate and safeguard academic freedom

## Delphi research: results

#### Epistemic responsibilities

To foster research integrity

To stimulate the development of intellectual virtues

To address the big questions of life

To cultivate the diversity of the disciplinary fields

To serve and engage with society at large

To cultivate and safeguard academic freedom

To foster research integrity

To stimulate the development of intellectual virtues

To address the big questions of life

To cultivate the diversity of the disciplinary fields

To serve and engage with society at large

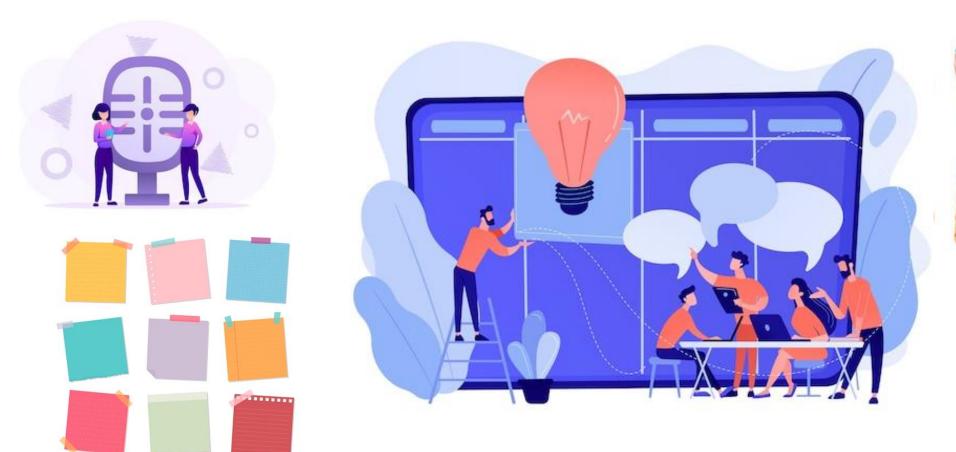

To cultivate and safeguard academic freedom

### Co-creation research: methods

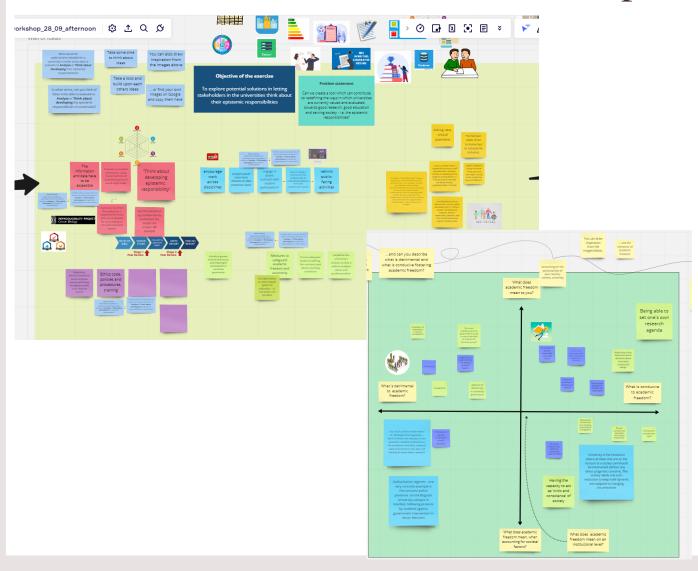

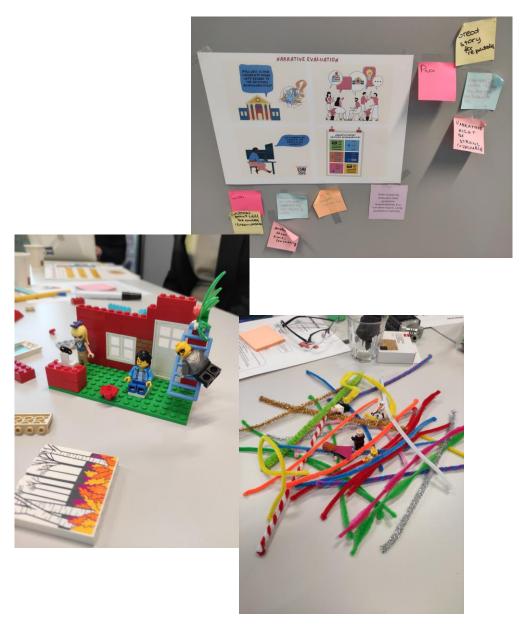

## Co-creation research: workshops

# Question of today's workshop

What does the university of the future look like, when thinking about collective recognition and rewards and the epistemic responsibilities of universities?

Jeroen de Ridder *co-promotor* 

Wieneke Mokkink Delphi expert

René van Woudenberg *promotor* 

Joeri Tijdink *co-promotor* 

Iris Lechner *PhD kandidaat* 

Lex Bouter *promotor* 

Co-creation team Emma Ajdari Carlo Vasino Krishma Labib
